Education

- 2016–2019 **PhD in Automatic Control**, ONERA, Toulouse, France.
Supervision: [Charles Poussot-Vassal](#) and Fabrice Demourant.
Title: "*Data-driven model reference control in the frequency-domain: From model reference selection to controller validation.*"
Thesis defended on October 18th, 2019, and available at [tel-3084374](tel:3084374)
- 2015 **UNICAMP**, State University of Campinas, Campinas, Brazil.
- 2012–2015 **Ecole Centrale de Lyon**, Lyon, France.

Experience

- Since 01/2022 **Researcher**, LAPLACE - CNRS, Toulouse, France.
My research activities revolve around developing data-driven and learning-based approaches for modeling, control and analysis of electrical systems.
- 2020–2021 **Postdoctoral fellow**, Automatic control department, LTH, Lund, Sweden.
- 2016–2019 **Teacher assistant**, ENSEEIHT, Toulouse, France.

Scientific activities

- **Publications:** 1 invited book chapter, 11 journal papers and 20 conference papers (peer-reviewed)
- **Supervision:** 6 PhD students, 2 postdocs, 11 master thesis.
- **Editorial activities:**
 - Associate editor for IEEE Control System Letter since January 2025
 - Member of the EUCA Conference Editorial Board, starting September 2026.
 - Member of IFAC TC1.1 Modelling, Identification and Signal Processing since end of 2023
 - AE for IFAC WC 2026
 - Guest Editor for the SYSID 2027 special issue in IFAC Journal of Systems and Control
 - Member of the Technical Program Committee for [CDC 2024](#) (associate editor at large).
 - Member of the Conference Editorial Board of the IEEE Control Systems Society from July 2022 to July 2026.
- **Teaching:**
 - *Commande adaptative et prédictive*, 10hrs/year for master students at ENSEEIHT in the [ACISE](#) specialty (control architecture and embedded systems), since 2023.
- **Reviewer** for *Automatica* and *Transactions on Automatic Control*, and for various international conferences.

- **Other activities:**

- Organization committees: Numelec 2024, Symposium de Génie Electrique 2025.
- 9 PhD defence committees as examiner
- Member of 5 recruitment committees for *maître.sse de conférence*
- Member of [Femmes & Sciences](#) since January 2024 : animation of school interventions to promote STEM careers and challenge gender stereotypes, and participation to the mentoring program.
- Gender equality referent at LAPLACE since July 2025, member of the steering committee of the gender equality network of CNRS Ingénierie, gender equality referent at GDR MACS.
- Since 2024, I am an active member of the LAPLACE working group on ecological and societal transition.
